People are returning for food bags and as a result, the shelves are getting a little low on standard items. Please help restock on:

Spaghetti and Sauce
Pancake mix and Syrup
Cereal (a highly sought item!)
Peanut Butter and Jelly

Just a little word about expiration dates...please check the dates on food products. 2-3 months out is okay but please...no 2-3 years out! Thanks for your splendid response!

Easter Egg Invitations

How very pleasant to learn about neighbors who took notice of the invitations that were placed on their doors.

Victoria Freeman called to say that "Thank You!" for the invitation. She said that her young daughter really liked it and that it was so appreciated. She left no phone number so we were unable to chat about the invitation being always open...not just on Easter. Another lady called and left the message that she really liked finding the Easter Egg on her door, that it was such a pleasant surprise! Have not been able to contact her but will keep trying! Thanks again for all who walked the neighborhoods, spreading the news about Lincolnshire.

Prayer Requests

Praying for **Judy Harts** whose health will be limiting her time with us on Sunday mornings.

Praying for our sister **Arielle** whose journey through pain and suffering is long enduring.

Praying also for **Paul Sills** as he continues his recovery from a recent hospitalization.

We are praying for all those affected by the earthquake in **Nepal**. Pray for the injured, for those whose homes and livelihoods are destroyed. Pray for the rescue workers and volunteers doing all they can to save people.

Our daily prayers also continue for the EYN church in Nigeria.

From the Pews....

Avon Scott writes..."My sister, Margret Kauffman and I want to thank you for the many cards she received for her 100th birthday from the church family here. Also, Reverend Bennett that we have prayed for is back home and doing fine. Thank you for all your prayers."

Lincolnshire Vision Statement

We are a welcoming body of believers,
longing and learning to experience and serve God,
connecting people to the passionate power of Jesus' love.

Property Notes

Thanks to **Howard Pletcher** for changing the oil and sharpening the blades on the church mower saving possibly \$200. And thanks to all the guys who will be mowing, trimming and keeping the church lawn freshly mowed and beautiful for all coming in on Sunday mornings.

The front lawn has been fertilized and grass seed planted on the north side by the road.

Sadly, we report vandalism to the back lights which were shattered. John Kolb has contacted the police about driving through the parking lot more often to discourage this sort of problem.

Poorman's Heating & Air will be inspecting the air conditioning system prior to the hot summer months. They will also be doing some work on the heating units as well.

Ants have been seen in two Sunday school classes. You are asked to make sure you leave nothing out which would entice the little guys to make a summer residence at Lincolnshire.

Storm windows will be taken off the Fellowship Hall windows. John would like some help with this project. Please contact him if you would like to lend a hand.

Thanks to so many who keep a watchful eye on the church property.

Women's Bible Study group will head for Timbercrest to visit with Lincolnshire members and friends on **May 4th**. They will be sharing cookies, coffee and fellowship in the Snack Shop from 10:00 to 11:30 a.m. If you would like to join the group, be at the church at 8:30 for carpooling.
