Annual Conference 2015

Tampa July 11-15, 2015

This year's Witness to the Host City in Tampa is supporting the work of **Metropolitan Ministries**, a faith-based organization who serves the poor and homeless families in four Florida counties. Their mission is to "...care for the homeless and those at risk of becoming homeless in our community through services that alleviate suffering, promote dignity and instill self-sufficiency – as an expression of the ongoing ministry of Jesus Christ."

The ministry serves 69,000 meals and goes through 16,500 diapers every month. It operates Miracle Place, transitional housing for 100 families including 250 children. The scope of their work also includes offering financial services, employment skills, classes and counseling, and spiritual development to name just a few. All in all, over 25,000 families get help each year from Metropolitan Ministries.

You can help this ministry by bringing donations of items to church. Bob and Marty Kaylor will take your donations to Annual Conference with them on July 5th. Boxes are at the back of the sanctuary.
