Certain thoughts are prayers. There are moments when, whatever be the attitude of the body, the soul is on its knees. ~ Victor Hugo

In our prayers...

Allen Shaw came home on January 26th following his week's stay in Lutheran Hospital. **Deb** continues to express her gratitude to God and to all who prayed and stood with them during a very long and incredible week.

Marty Kaylor is also home following a hospitalization. She was in church last Sunday and sang in the choir!

Lisa Lahr and her mother, **Carol Williams** remain in the realm of our prayers. Carol's surgery is next Wednesday, February 3rd. We will be ever mindful of her as she undergoes this surgery and in the recovery process.

Mike and Jane Vorndran and family are now in their new home. May our prayers embrace them as they adjust to new surroundings, new schools and a new neighborhood.

Gene Valentine is at Parkview Hospital in Huntington following a very brief return home from a hospitalization at Lutheran. He also remains in the realm of our ongoing prayers.

Stan Clauss, a frequent visitor who also sings backup in our choir, recently had bladder-removal surgery. He came through the surgery quite well and is staying with Eddie and Marilyn Bazile while recuperating. Cards can be sent to the Bazile home at 5404 Bluffton Rd., 46809.

Judy Harts asks us to be in prayer for her sister, **Janet McPherson** who fell and broke her hand and fractured ribs.

The Service of Anointing

The service of anointing has been used for generations by the Church of the Brethren as a rite for healing. The Brethren believe that God intends people to be whole in body, mind and spirit. The anointing service recognizes that wholeness is experienced only as a person's relationship to God and others is open and honest. Anointing with oil for healing is a means of God's grace and blessing intended to bring restoration of wholeness and health. Traditionally, anointing is for three reasons: the forgiveness of sin; the strengthening of one's faith; the healing and wholeness of body, mind and spirit according to God's grace and wisdom.

In fact, they are calling it a "**Mini-Taste of Chocolate.**" So get out the chocolate recipes and select the richest, tastiest dishes to share with the church family. More details will be given as plans are finalized.
