We always thank  
GOD for all of you  
and continually  
mention you in  
our prayers.

1 Thessalonians 1:2, NIV

When we become part of the church, we join a web of relationships with other members, all of whom are connected to Christ. The lives of the members are woven together by the invisible bond of the Holy Spirit. We all depend on one another. And generally speaking, the life of Christ comes to us mediated through other Christians. To abide in Christ is to use our connection to other Christians as the vehicle by which Christ ministers life to us – and each of us is a vehicle of Christ's life to others. Jesus has set out a hard road for us to travel because the road he traveled was difficult. But it is a road of blessedness. And the good news is that we experience blessedness even now as we abide in Christ and stay connected to the members of his body.

Do you have a key to the front door of the church that is no longer used? If so, please return it to the office. Our original count of door keys was 100. At this time, only **one key** left. Several keys were given to people who no longer attend Lincolnshire and who did not return their keys. Each key costs about \$20 to reproduce as they are security keys and cannot be made at hardware stores, etc. If we don't have an enough returned, we may have to retool the lock on the door.
