God's plan

God has a plan for every life in Christ Jesus. What a wondrous truth...and yet how reasonable. Shall the architect draw the plans for his stately palace? Shall the artist sketch the outlines of his masterpiece? Shall the shipbuilder lay down the lines for his colossal ship? And yet shall God have no plan for the soul he brings into being and puts "in Christ Jesus"? Surely he has. Yea, for every cloud that floats across the summer sky, for every blade of grass that points its tiny spear heavenward, God has a purpose and a plan. How much more then, for you who are his own in Christ Jesus, does God have a perfect life plan.

Next Sunday's Sermon

"Make it Worth It"

Galatians 1: 11-24

Bizarre courses are offered at colleges these days. At Indiana University there is a class called *Chivalry and Courtliness* -- an ideal course for young men who want to court a *Fair Maiden*. On the other hand, at Yale there is a course called "*Life Worth Living*." Who doesn't want to learn the art of living? There are so many conflicting ideas about what, exactly, the good life really is. Today we will explore what makes a life a good life — *Galatian-style*.

Jane Baker... is moving to Coventry Meadows where she will be closer to her family. Her new address is:

Jane Baker

Coventry Meadows

7833 W. Jefferson Blvd. 46804

Apt. 327

Her phone number remains 432-3685. We pray for a gentle transition to her new surroundings. Let her know how special she is by stopping in for a visit after she has become acclimated to her new home or by sending her a cheery "**HELLO**" or "**THINKING OF YOU**" card!

Prayer Requests and Updates

Our prayers continue for those in need of God's healing and comforting presence. May the God of all love surround them through our prayers and the kindness of their families and friends.

Dave Bell for continued healing.

Paul Sills continues to need prayers for healing.

Jane Vorndran for successful healing from last Thursday's surgery.

Jan Ward is so thankful for the good news that her vocal cords are not damaged. She also expresses her thanks for all your prayers that helped support her during the time before the

prayers testing.
