The 2016-2017 phone directories are now available. Several changes/additions have been made to make more information available for you.

These include:

- A youth directory
- Birthdays in alphabetical order
- Anniversaries in alphabetical order
- Websites for various places within the church
- 2016-2017 calendars
- Three blank pages at the back for additional information.

Due to time and cost, only one directory per family will be given. Thanks to *Howard and Jan Williams* for the many hours of work given to make these directories available. They have done an outstanding job!

But before......putting the directory in a drawer or your car, please make the following changes (received after printing).
