Refresh my Soul

It's so easy to get caught up in
this fast-paced, rapid-fire world and to forget
the peace that passes all understanding,
the love that casts out all fear.

So slow me down, Lord.

Steady me.

Infuse my life with harmony and calm
and refresh my soul in you.

"You Won't Fall Through"

Hebrews 11: 1-3, 8-16

Have you ever walked on a glass-bottomed walkway? If you want to feel your heart in your throat, do the Skywalk Bridge that extends beyond the edge of the Grand Canyon. Nothing between you and the bottom *waaaaay* below – just glass. The experience is not unlike living by faith!

Next Sunday we welcome "A New Ministry" to our worship service. This is the church that is founded by Pastor Cervantes and his family who will be using our church for their ministry. A special anointing will be given to them as they share their love of Christ and their hopes for the future with us. Please make them feel welcome!

Stewardship reports that June's contributions totaled \$9,544. We had expenses of \$15,931 which leaves us with a negative balance of \$6,387. We paid quarterly payments for Outreach and pension that were due plus an equipment repair of \$2,000.

On a year-to-date basis, contributions totaled \$71,211 and expenses totaled \$72,673 leaving a negative balance of \$1,462.

We really appreciate your support and commitment as we work with a challenge budget.

This Sunday's Forum "We Carry Kevan"

This summer, Kevan Chandler will embark on a journey through Europe as the living backpack. Kevan is typically bound to a wheelchair due to a degenerative disease, but his friends are making it possible for him to see the world by carrying him on their backs. A story of determination, inspiration and the meaning of true friendship has made this journey possible. You will want to make it a point to hear about this incredible young man and his friends.

Robin La Rue... ongoing prayers for his comfort and peace.
Becky Oetting ... prayers of encouragement and support for her doctor's appointment on August 9. A special 'thanks' to those who provide Becky with transportation and encouragement through phone calls, cards and prayers, all helping her along life's journey.
Betty Dawson... continues her struggle with health problems. She was in Parkview this week for testing. Prayers continue for an answer to these medical issues and treatments to restore her well-being.

***"Life is short, and we have never too much time for gladdening the hearts of those who are traveling the journey with us.
 O be swift to love, make haste to be kind."***

- Henri Frederic Amiel
