We need...

Peanut butter, spaghetti sauce (have plenty of spaghetti) crackers and cereal. These items plus anything else you want to bring is greatly appreciated. Back to school means more visitors at the door for food bags. Jack Steckley thanks you so much!

This Sunday's Forum "Kate's Kart"

Krista Layman, co-founder of **Kate's Kart** will share their story and how a tiny project has turned into a huge blessing. **Kate's Kart** is a not-for-profit organization that supplies free books to hospitalized children to keep for their enjoyment. **Kate's Kart** was founded in 2008 by the Layman family in memory of their daughter, Katherine Anne Layman (affectionately known to family and friends as "Baby Kate"). In just over eight years, the organization has grown to service 16 area hospitals, plus several pediatric offices. There are currently over 100 volunteers collecting, counting, sorting, labeling, stocking and distributing books. To date, over 120,000 books have been handed out to hospitalized children.

Pastor Bibbee, as District Moderator, will lead the 157th recorded Northern Indiana District Conference. It is being held at the Camp Mack Conference Center on September 16, 17, 20-16. The Conference theme is simple and straight-forward. **"Abide!"** Gene Hollenberg, Moderator-Elect, will lead the Friday worship service and Pastor David will deliver the message "All Tangled Up" based on John 15. Saturday sessions, "around the round tables" will be based on budgeting, congregational ethics and other important issues. Both Pastor David and Gene Hollenberg encourage you to attend. A copy of Pastor David's letter to the congregations is in your mailbox.

Next Sunday's Sermon

"Let's Nail It!" Luke 13: 10-17

Performers in the entertainment industry sometimes literally drop the microphone as a way of saying, "I nailed it!" Their self-assessment and that of the audience is that the performance was amazing. End of story. Walk off the stage. Perhaps the same thing is going on in our text. Jesus was engaged by the crowd, interacted with the ill woman, and – he nailed it!
