Visiting Pastor

Today's guest pastor is Nashon Azaki.

Nashon Azaki, fondly called Pastor Nash, is originally from Nigeria where he served in Student Ministry as Associate Pastor and Senior Pastor between 2000-2014. He moved to the USA with his family in 2014. He is a pastor and is enrolled for Doctor of Philosophy in Missiology at the Concordia Theological Seminary. He is presently a PhD Candidate completing a Dissertation focused on Spiritual Power for Potent Christian Life and Church Growth. He serves alongside his wife Joyce. Their marriage is blessed with two children, El-Elis-Almodhahd and Eliana. Under God, their vision and ministry goal is to continue to serve the church in deepening her mission, meeting critical ministry and leadership development needs.

The backbone of most churches in getting lawn and building care done is the faithful crew of volunteers who step forward with mowers, hammers, dish clothes, dust rags, saws and a plethora of other vital tools to fix, mow, tighten down, clean up and take care of anything that requires a steady hand and a fixed determination. In just a few weeks, **Howard Pletcher, Stan Gorom, Marv Loutsenhizer, John Kolb** have tackled lawn care and mowed, picked up sticks and debris, cleaned out the flower beds with plans to mulch and put down Weed & Feed on the front law.

Inside plans include washing the sanctuary storm windows by **Tom Tiernon** and **Jan Ward** has planned a kitchen clean-up day on May 16th which includes the washing of the windows in the Fellowship Hall.

In preparation for summer months, Marv had the air conditioner that cools the sanctuary serviced by Poormans. They cleaned out the system, installed new filters and tested the thermostats. There's also a lot of work that is done by "church mice" who dust window sills and tables, align blinds, straighten pew Bibles and hymnals, sweep sidewalks, wax tables and always have an eye out for dust and dirt.

The present mowing team consists of **Howard Pletcher, Terri Woods** and **Stan Gorom**.

Howard would like to have at least two more volunteers to help. Please contact him if you can help out!

Thank You!

Dear Lincolnshire family and friends,

Once again, you have shown your true colors as loving and caring individuals!

It is almost impossible to fully express my deepest appreciation for the many wonderful cards, notes and prayers that came from you to brighten my days during my recent illness.

Thank you, and thank you again, dear friends.

Most sincerely,
Dorothy Tripp

We appreciate JONAH VORNDRAN... for all the wonderful help he freely gives on so many occasions. Most recently he helped set up tables, etc. at the Maundy Thursday service. And just this last week, he helped move furniture in the pastor's study in preparation for the arrival of the Thomas's. He helps carry in dishes for potlucks, often helps greet at the door on Sunday mornings and gives lots of hugs to a lot of people! And did I mention his smile? Thanks much Jonah! **You're the best!**

Getting ready for Paul and Cheryl

In preparation for the arrival of Paul and Cheryl on May 1, the pastor's office/study was thoroughly dusted and the carpet cleaned. As they will be co-pastoring, a desk, chair and floor mats were purchased. The old floor mat was cracked and buckling. They will be using their laptops instead of sharing the present computer. The furniture has been re-arranged and presents a nice workspace. Stop by and take a look at their new "home away from home."

They wanted a tour of the church and last Saturday, Marv and I took them all through the building. They were upstairs, downstairs, outside and all around. They were really excited at everything they saw (including the attic!) and it was great to be part of that excitement and to see the church through their eyes!

for Paul and Cheryl

Thomas

May 7

following Sunday School classes.

Let's give Paul and Cheryl a big WELCOMING by bringing all your delicious and favorite dishes to share at the May 7 potluck! As the old saying goes... "nothin' says lovin' like somethin' from the oven" and Lincolnshire cooks surely do it best. Just remember to label dishes that need to be warmed up, cooked or spicy hot etc. Make plans to stay and remember... *there's always a place at the table for YOU!*

"You show that you are a letter from Christ... written not with ink but with the Spirit of the living God, not on tablets of stone but on tablets of human hearts. ~ 2 Corinthians 3:3 NIV
