A Gift for Mom

The three young children told their mother that she wasn't to lift a finger on Mother's Day. They were going to do all the cooking. So, they got out three pots, two frying pans, six measuring spoons, three mixing bowls, a double boiler, a chopping board and eight serving dishes. Mom said it was the best **Jell-O** she ever tasted!

- A mother is a person who, seeing there are only four pieces of pie for five people, promptly announces she never did care for pie.
~Tenneva Jordan
- The best inheritance a mother can leave her children is a Christian example.

- A mother is not a person to lean on, but a person to make leaning unnecessary.

Happy Mother's Day 

In the spring of 2013, a young man named Aba Atlas wanted to do something special for his birthday, so he gave his **mom** a present and made a video about the gift and its beloved recipient. (It can be seen on YouTube by searching for "iProjectAtlas, Dear Mother.") For years, Aba's mother had worked long hours outside the home and then cared for her kids each evening. She'd bought a house so her children would always have a place to call home yet the mortgage caused her great stress. Working at a \$30,000/year position, Aba saved enough money to pay off his mom's mortgage and, on **his birthday**, presented her with a check. According to a caption in the video, her response was "Wow x 9000." "I want to celebrate my life by celebrating the woman who gave me life," Aba says.

with David Bibbee officiating.*

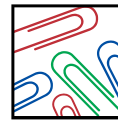

We want to thank you, the church family, for everything you have done for us over the years and we are so happy to have everyone in our lives. But due to the small venue size, we will have a small reception with family and only a few friends. However, you will be present with us in our hearts.

We want to thank you, the Lincolnshire Church body, for your overwhelming welcome. The meal was delicious. The quilt is cherished. The hugs, handshakes, laughter and joy made your welcome extra warm. We look forward to our time together. God is good! Without a doubt, He has you, this church body, in the palm of his hand.

Thanks so very much for all the cards, visits and prayers that were directed my way following my recent accident. The tremendous outpouring of prayers, concern, help and support that Sara and I received certainly reflects the caring congregation that Lincolnshire is. While it will be another two or three weeks until I will be advised the exact cause of the problem, it appears that it will be something that can be treated with a medication or two. The amount of dizziness and unsteadiness is less each day so I'm getting back to somewhat normal. I was advised that it will take rest and some time. Except for a low dosage med to boost my thyroid a bit, the doctors are waiting for more results to come in which should be around the first of June. Thanks again for your visits, prayers, and caring. You are a great group of people. ~Marv Loutsenhizer

A Visit from the Pastor

The attendance sheet you sign each Sunday morning are used for a number of reasons. They are used to mark attendance on the master attendance sheet which in turn, is used by the church office to input that data into the church's computer program. The pastors also send welcome letters to visitors who have signed the sheets. Left over bulletins are then mailed to those individuals who have missed the service. In the future, our pastors can also use that same information to schedule a visit with those who have missed Sundays.

If you would like to have Pastors Paul and Cheryl visit you within your home, please check the far right-hand side of the attendance sheet. You can also indicate the date and time for the visit. If you would like an immediate visit, please write ASAP in the column.
