*“The times they are a ‘changing!’”*

This fall, in an effort to make the best use of the time, we are moving our Sunday morning worship time to **10:30**. Below are the supportive reasons and comments about this change:

- One of the primary reasons for this move is to add more space and time for our young people and to attract millennials. And our hope is that many more people will join in to love and support our young people.
- The transition takes place on September 3, 2017.
- The worship service will remain the same. We love what God is doing in our worship gatherings so the form and format will be the same.
- The change will include a special time to allow our youth to be involved in developing the worship elements.
- This new time schedule will be evaluated in May, 2018.

**\*\*\*Here is the new time schedule beginning September 3, 2017.\*\*\***

|                |                                      |
|----------------|--------------------------------------|
| 9:00 -- 9:50   | Sunday School                        |
| 9:50 -- 10:15  | Coffee and donuts                    |
| 10:15 -- 10:27 | Youth inspirational music and videos |
| 10:27 -- 10:30 | Musical prelude                      |
| 10:30 -- 11:30 | Worship service                      |

Any time there is a big change, questions and conversations arise about it. We ask that you trust and pray for the people involved in making this change work and that God will continue to use our church for His glory through the Lincolnshire family.

### **HAVE YOU ATTENDED A REVIVAL?**

The New Paris CoB will hold revival services from July 9 – 11 with Bob Kettering. There will be Sunday, Monday and Tuesday services. Bob tells children’s stories at each service and uses magic for illustrations. Bring the family! The church is located at 68170 Divison Street (CR 23), New Paris. A flyer with all details is posted on the bulletin board. (and no...we have never attended a revival!)

THIS SUNDAY'S FORUM is Global Women's Project with Carla Kilgore. Global Women's Project is an organization of the Church of the Brethren. They support women around the world, from India to Wabash, IN.

### BLESSINGS WANTED!

"It would be as difficult to take an inventory of the benefits the world receives from the sunshine as to enumerate the blessings we derive from the Christian Sabbath" wrote Henry George. Think about that and then substitute "Lincolnshire" for the words "Christian Sabbath." What has been the biggest blessing you experienced from being part of the Lincolnshire family? Is it friendship, spiritual growth, worship services, prayer through troubled times...? Stewardship would like you to write of your church blessings. They will then be compiled into a booklet which will become part of the Stewardship Drive that kicks off this fall. Please put your "blessings" in Kaylors' church mailbox. There are no blessings too big or too small not to be recognized!

**WANTED! 100 CHILDREN**  
to come to Vacation Bible School!

Our Community Vacation Bible School (VBS) will be July 23-27. We are working with First Christian Church to give children the opportunity to learn more about God and how He has made them for a purpose. God loves every one of them and He will help them to reach their goals.

The children must know about VBS for them to be there. So Lincolnshire is responsible for areas south of Paulding Street and First Christian will cover Paulding Street and areas north of it. We have everything ready to deliver flyers door to door. The flyers are in bags with "Walking Routes" attached. There is a route description and a map on every bag.

You can help! The bags are on a table in the vestibule. Get with one friend or two or three. Sign out a bag and put a flyer on every door on your route. We want the children to have plenty of time to save the VBS dates, and for us to be able to know approximately how many will come.

What will we 150%, or even 200%! Please join in bless our VBS and to send children. And then help them to know about VBS by taking flyers about it door to door!

### "Look for the helpers"

When I was a boy and I would see scary things in the news, my mother would say to me, "Look for the helpers. You will always find people who are helping." To this day, especially in times of disaster, I remember my mother's words and I am always comforted by realizing that there are still so many helpers –so many caring people in this world. ~ Fred Rogers
