Make a note... the potluck that was scheduled for August 27th has been cancelled due to the events for next Sunday. The next scheduled potluck is in September. The date has not been determined yet but may be held on September 3rd to celebrate the beginning of Sunday school classes and the new time change.

New Sunday school classes... are being planned with the opening date of September 3rd. Judy Steckly is busy coordinating class plans and teachers and ordering new books. Class information and class signups will soon be available.

The Honduran Church aka "The New Ministry Church" that meets here on Sundays at 1:00 p.m. and on Tuesdays at 7:00 p.m. will be using the Fellowship Hall on August 18th at 7:00 p.m., August 19th at 6:00 p.m. and on August 20th at 4:00 p.m. The church is holding Revival Services featuring speakers from different countries. We are pleased to accommodate Pastor Cervantes and his congregation. The Lincolnshire family is invited to attend but it is not known if a translator will be on site.

Dollars and cents... Your contributions for the month of July totaled \$10,520 and expenses were \$10,033 resulting in a positive balance of \$487. On a year-to-date basis, contributions totaled \$69,244 and expenses totaled \$45,199 for a positive balance of \$24,045. Since we operate on a cash basis and some commitments are paid quarterly, about \$1,500 is our monthly part of the commitment. We had some extra expenses due to some repairs and permits but still had a positive balance. The positive balance is also partly due to the open pastor position for this year. Thank you for continuing to keep your pledge giving on track so we can support the new pastors. We appreciate your support and commitment. ~ Bob Kaylor

Helping each other...

There is no more important work in this world, no greater duty, than to help others to keep up their courage

HOLY COMMUNION

Next Sunday, Holy Communion will be served during the worship service. This is a meal of God's grace that Christ has prepared for us. It is here that he feeds our souls with the bread of life and it is here, that our spiritual thirst is quenched. It is here, that we can say; "The bread that we break is a sharing in the body of Christ, and the cup over which we give thanks is a sharing in the blood of Christ."

From today's sermon "Prayer: Hope vs. Cynicism"

"Our Judeo-Christian heritage has a confidence in the goodness of God acting on our behalf. Knowing that the good shepherd is watching and protecting me gives me courage to go through the valley of the shadow of death. Even in the presence of my enemy I can enjoy a rich feast because God is with me. Faith in God leads to 'can-do boldness' and daring actions, the hallmarks of Western civilization." ~ Paul Miller

This Sunday's Summer Forum

Chandler Gerber on "Forgiveness"

Chandler Gerber will recount how an accident changed his life irrevocably and led him to a new understanding of the power of forgiveness.
