This Sunday's Summer Forum David Shipe on Nigeria Workcamps

David Shipe traveled with five other COB partners from Indiana, Kansas, Pennsylvania and Florida/Haiti and worshiped in five different churches. They visited schools, villages, displaced persons camps and met many friendly and loving Nigerian Brethren. They also worked six days with the construction of a new COB/EYN office building along with many Nigerian church volunteers. This morning he will be sharing ideas for supporting our brothers and sisters who are enduring hardship in Nigeria.

Thank you, Lincolnshire friends,
Your presence at our ordination and meal, your cards and prayers, and your love have covered us in our official step into ministry. We love that you are a God-loving people, that you know that there is no valley so low, no wilderness so vast, no passage so crooked that God is not already there waiting to be with you. We love that you are a God-proclaimer, that you know of His awe-inspiring powers that encompasses the past, present, and future. We love that you are conduits of God's love, so others feel your loving touch, so they hear your healing words, so they feel the love embrace that you joyfully extend. You are precious to us.

*We always thank
God for all of you
and continually
mention you in
our prayers.*

1 Thessalonians 1:2, NIV

Thank you,

Women's
BIBLE
STUDY

"There is no medicine like hope; no incentive so great, no tonic so powerful as expectations of something better tomorrow."

Hope: Your Heart's Deepest Longing is the text for Women's Bible Study which begins its season Monday, September 11. The group meets weekly on Mondays, September through mid-May at the church. Sessions begin at 9:15 a.m. and end at 10:45 a.m. The sessions include sharing, prayer and Bible study. All women are welcome! Questions? Call 747-2976.

Carrying forth the blessing...

The folks who come to the doors of the church for bags of food often say, "Thank you so much! This church is such a blessing." This week, the blessing of food was given in a different way. The couple that came to the door wanted food to give to their neighbor. He was out of work and was quite depressed. They felt that the gift of food would help lift up his spirits and they "just knew that the church would be able to help them." As they left, talking animatedly about taking the food to him, they exclaimed, "Thank you sooo much! You've been such a blessing to us before and now we can be a blessing to someone else!" And thanks to all of you who donate food and dollars to the food pantry and thanks to Jack Steckly for always having bags ready to give! **You all** are a blessing!
