Being baptized today...

Kaitlin Pearson

Kaitlin was born on October 5, 2008. She is a student in the fourth grade at Woodlan Elementary in Woodburn, IN. In her family is her grandmother, Laura Revard, Grandpa Dave and Darby the dog. When asked how she would describe herself, she said *"I'm talkative, loud and I have a big heart!"* And you might be surprised to learn that she broke *each* arm just a year apart. She likes country music and Bible songs. In her free time, she likes to spend time with her friend Leah and her other friends and family. Kaitlin visited with Betty Dawson on Labor Day and told her she would be praying for her during her surgery.

Laura is a native of Fort Wayne and the daughter of Jan Ward. She attended Snider High School and Ivy Tech. Due to lingering health issues; she is not employed at this time. Her family is husband Dave, granddaughter Kaitlin and children Kyle and Sara. When asked to describe herself in three words, she responded, "I have a good sense of humor, I'm adaptable and loving." She also loves to bake cakes and cookies. Her kind of music is 80's rock and country and her favorite readings are of the romantic nature. In her free time, she enjoys camping near Revard Lake in Upper Michigan.

Two curriculum books, one from Brethren Press titled "Women of the Hebrew Bible" and the other by J. Ellsworth Kalas titled "All Creation Sings: Voices of Nature" are now available in the church library. The first includes stories of known and lesser known women of the Old Testament with stories linked to New Testament references.

Ever wonder if prayer matters? Robert Morris's book features beautiful photos and meaningful insights into that question. It is titled "Why Keep Praying When You Don't See Results?"

David the Great delves into the life of David, describing his devotion, struggles, rise to power and why the Scripture describes him as a "man after God's own heart."

"The Holy Bible - NIV Kids Study Bible features colored drawings, "Think About This..." and "Look at This..." sections.

Your continued use of the church library and donations to it are appreciated. Your library committee, Carolyn Egolf, Linda Fultz, Carolyn Gorom and Sharon McKay.

What is "Gym Night"?

"Gym Night" is a weekly time of fun for fourth graders through high school seniors. It is for children/young adults who attend Lincolnshire as well as for community children/young adults. The activities or games provided will not be for skilled athletes. We are not teaching athletic skills but rather we are teaching how to have fun. The activities or games will be things that children/young adults can do and enjoy.

We will try to have 2 groups on Gym Night. One group will be for 4th graders through 6th graders and the other group will be for 7th graders through seniors. Gym Night will start Monday, November 5, 2018 and last through Monday, May 20, 2019. We will follow the FWCS school calendar for vacation dates and for school closings.

Individuals who have indicated that they will help with "Gym Night."
