Sermons offer new ways of thinking, new ways of experiencing spiritual growth, new challenges to ponder. And often, we find ourselves wishing we could recall those words and thoughts but time and daily living often chase them into the recesses of our minds that reduce them to only snippets or fragments. Below are parts of sermon messages that have our church family talking excitedly about the future. It is our hope that by appearing in print form, they will become a more permanent part of our thinking and planning as we follow God's plan for the growth of Lincolnshire.

## Excerpts from the Feb. 18, 2018 sermon

Last Sunday, we touched on three of the five purposes for belonging to a church.

- The first purpose is evangelism, which is communicating God's Word. It is every Christian's responsibility to be a messenger of God's love and tell the Good News wherever we go.
- The second purpose of the church is worship. We find the definition of worship in Luke 10:27a, which states, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind..."

The third purpose of the church is publicly stating that you belong to the body of believers through baptism which leads to continual fellowship. Baptism and fellowship identifies us with the body of Christ. As Christians we are called to belong, not just to believe. This week, we will look at the last two purposes of the church. ~ Pastor Paul

*A Christian church is a body or collection of persons, voluntarily associated together, professing to believe what Christ teaches, to do what Christ enjoins, to imitate his example, cherish his spirit, and make known his gospel to others.*

~ Robert F. Sample

Pastor Cheryl has been posting pictures and events to our Lincolnshire Facebook page! She asks those that have access to Lincolnshire FB to visit (and join) this social media page and Like/Love the posted items. In doing so, the posts reach as many of our peripheral friends as possible. Viewing is not enough. She needs folks to like/love and comment as much as possible. *Let's spread the enthusiasm!*

**Darlene Smith and Pastor Paul** are looking at the possibility of starting a “Grief Support Group” in the near future. If you would like to have information about the group, please talk to Pastor Paul or to Darlene.

### WANTED....

Someone to think of a way to place names on our church mailboxes that will stay there and not fall off. The latest method obviously isn't working as the tape dries out and the stickers hang at various and assorted angles causing one to employ various bendings of the neck to find the right box. Altho there is no cash prize for the winner, you will earn the gratitude and accolades of everyone... particularly those who have boxes on lower levels! Come forth with your ideas!

Thanks, Sara L.
