THE KIDS CORNER

Thanks to the kids for helping with the potluck dinner last Sunday. They did an excellent job of putting placemats and center pieces on the tables. Their lively spirits and chatter as they went about their work was delightful. They also helped in the kitchen. And a big thank you to **Casey Drudge** as he held the attention of both the kids **and** the adults during the story time in the worship service with his enchanting eight-sided geometric quilt.

******Kids!** You will definitely want to attend the next 3 Sundays for the upcoming puppet play, waving of palm branches on Palm Sunday, the sunrise service and Easter breakfast and the beautiful Easter Sunday service. Bring your friends! Share your church with everyone you know! *******

Welcoming Jonah Vorndran...

It is truly a delight to welcome **Jonah Vorndran** into membership of the Lincolnshire Church family. Jonah has been part of this family of believers for several years. He is well known for his willingness to help others. Whether help is needed in ushering, helping greet on Sunday mornings, or moving furniture, he is always there to lend a hand. His help is particularly appreciated in the kitchen during potlucks and his willingness to help in any way he can with the pots and pans!

Dear Church family,

I can't find all the words to thank you for all the many prayers that you have said for me and the many cards I have received. What a blessing to belong to such a loving and caring church.

With much love, *Betty Dawson*

To all of my Lincolnshire family,

Thank you so much for your unconditional LOVE, SUPPORT and cards! I had such an amazing birthday and have decorated my room with your colorful cards. Your support has helped me adjust and I can't wait to share my experience.

Until the next time, *Zoe Vorndran*

A recipe for success... church building!

- #1. The church is made up of many individual parts. Recipe ingredients represent the individual talents that we each bring to church.
- #2. The talents of the church must be blended. Even if someone thinks he or she is only a pinch of salt, **salt is important** to the taste of food.
- #3. It takes time for a church to blend and have new people feel comfortable (assimilation). But once we do, the result: TRUE fellowship and worship.

MISSING YOUR NAMETAG?

DON'T HAVE A NAMETAG?

We have been blessed to have new members and guests with us recently. So it is important for us to wear our nametags on Sunday morning. If you need a replacement or don't have one at all, please let the nametag and/or hospitality people know on Sunday morning. Please print your name clearly on a piece of paper and an order will be placed. It takes a week or two for the order to be processed.

ELEVATOR SAFETY

The church elevator is inspected annually by Alternative Accessibility, a local company. The motor, lifts, doors and the entire mechanism is carefully checked. That report is sent to the Indiana Department of Homeland Security, Division of Fire and Bldg. Safety/Elevators. After their review, an updated certification is issued. This affords you the usage of the elevator with confidence knowing that this inspection is done annually. And for the record, there have been no issues in all the years that inspections have been performed.

DOLLARS AND SENSE

The Stewardship Ministry Team reports that February contributions were \$9,478 with expenses of \$9,548. That left the month with a negative balance of \$70. Year to date contributions total \$18,995 with expenses of \$18,924 and a positive balance of \$71. Thanks to you for your continuing support and commitments and for being sensible with expenses.

Procession of the Palms

March 25, Palm/Passion Sunday

“Hosanna to the Son of David! Blessed is he who comes in the name of the Lord!” (Matthew 21:9, NIV). You are urged to sit closer to the front so that you can see a foot washing demonstration during the service.

March 29, Maundy Thursday at 7:00 p.m.

With much to commemorate — Jesus washing his disciples' feet, instituting Holy Communion and commanding that we love one another.

MAUNDY THURSDAY

Good Friday, March 30

We call this Friday “Good” not because of what Jesus went through but because of how his self-giving brought us into the promise of eternal life.

Easter Sunday, April 1

Alleluia! Christ is risen!

7:30 a.m. Sunrise Service

8:00 a.m. Easter Breakfast

9:00 a.m. Easter Worship Service

(No Sunday school classes.)

Share the Easter Season

As we enter the Easter Season, you are encouraged to consider who you would like to invite to attend a Holy Week service or Easter morning with you. Easter is one of the most effective and impactful times to invite someone to church. By this time, many people have already “failed” in one or more of their New Year’s Resolutions and are looking for something that will help them to make changes in their lives. Also, due to family traditions, many people outside of your four walls are already thinking about finding a church to attend on this special day. Invite a friend, a family member, a neighbor, a co-worker or someone with whom you share a special friendship. The doors of this house of God are open to everyone!
