On February 10, 2019 you will be asked to select a person for the Calling and Discernment Ministry Team. Among other responsibilities, this team distributes and collects the data for the ministry survey. Additionally, they recommend members for Leadership Team positions and for delegates to District and Annual Conferences.

The pastor(s) and the Moderator are ex-officio members of the team and thus cannot be considered. Marty Kaylor and Judi Henderson are current members of this team and cannot be included in your selection. Please contact Marty Kaylor if you have any questions about this procedure.
