Leadership Team Meets Thursday, June 27

The monthly Leadership Team meets this coming Thursday, **June 27 at 6:30 p.m.** Both current and new board members are urged to attend this meeting. The first half hour will be an introduction of the new members and recognition of current members. Time will be spent reviewing the workings of the monthly agenda, how Leadership co-chairs share responsibilities, how motions are made, who is eligible to vote and a short review of the Plan of Organization under which leadership functions. Again, this is a very important meeting and you are urged to attend! Current members, please bring your Blue Books of By-Laws.

When we receive the bread offered during Holy Communion, it's the spiritual equivalent of receiving free bread. No matter how you slice it in terms of your own denominational tradition, the "real" bread and "real" drink connect us deeply and spiritually with God through Christ. We are nourished by the grace we receive, encouraged by the diverse crowd around us and strengthened to live life to the full. There's no substitute for the love and life we experience when we break the Bread of Life. Like Peter we cry out, "Lord, to whom [else] shall we go? You have the words of eternal life" (John 6:68, NIV). We will share Holy Communion this morning to close the worship service.

IT'S A
SMALL
WORLD
AFTER
ALL!

Just who is this darling little girl who woos us with her smiles on Sunday mornings? Her name is **Ariyah Kay Marie Cook**. She will be six months old on June 28th. Her parents are Hannah Heare and Greg Cook. She has two brothers, Bentlee is seven and Elijah is three. Currently she likes any toy she can put in her mouth. So far one of her favorite foods is bananas. She isn't crawling yet but is working on sitting up unassisted. She rolls over a lot and is a little wiggle worm.

Ariyah began coming to church with us because we were asked to watch over them one night and had church the next morning. Elijah started asking his mom to go "to school" with Uncle Ricky and Aunt Beth so we just started taking them on Saturday nights. We love having Ariyah at our house and she always has a big smile for us. And when she sleeps, she has to have a blanket to bury her face in until she is asleep. ~ Bethany Mann

P.S. And her Lincolnshire family **loves** having her here with us!

Thank You!

Dear Lincolnshire Family,

I don't know how many times I can express my utmost gratitude, but here goes another shot. I wanted to thank you not only for the thoughtful graduation celebration and marvelous cake, but also for all the love and support you've

shown me since I came to Lincolnshire. Thank you for your guidance during high school, encouragement while I was in Ireland and the continued love as I prepare for my next stage of life. Thank you ALL!

Love and Blessings, Zoe Vorndran

THANK YOU, THANK YOU and THANK YOU to the ladies who have been cleaning out the church attic this last week. This was a difficult job given the temperature in the attic and the amount of articles that needed identification as to their purpose or simply "what is this?" Although much discarding was done, many "treasures" were also discovered. It will be exciting to see these treasures being displayed around the church as seasons change. Thank you again!

Speaking of trash... please do not put coffee cups, used tissues, wrappers, etc. in the recycling bin by the sanctuary door. The bulletins are sorted out on Mondays to be recycled and it's kinda messy to sort through trash.
