**Our first Summer Forum  
features Robert Johnson.**

Disappointment, adversity, and failure are words we all try to avoid. But what happens when they arrive in a moment

least expected? *Robert Johnson* is no stranger to difficulty. At the peak of his first business he found himself on the outside of a quickly deteriorating partnership. Within the span of nine days, he went from being on top of the world to leaving the company he had founded from the ground up. With nothing to cling to but his family and faith, he spent the next few months planning his next steps and learning from mistakes he now counts as blessings.

On Sunday, June 9 we will honor our graduates, Katie Kolb (Homestead High School) and Zoe Vorndran (Manchester University).

Katie and Zoe will be acknowledged and will receive a gift from the church during main worship. A potluck meal with a graduation cake follows the morning worship service. Join us as we wish them God’s blessings as they venture into new chapters in their lives and may they know that Lincolnshire is always here to support their spiritual growth.
