Fellowship Hall Windows.

On a few occasions during the past few months we have found that the fellowship halls windows have been left open after a group has used the fellowship hall. There is no problem in opening them to allow fresh air to enter the fellowship hall as with the new windows we can experience increased circulation and fresh air. However, if your group or someone in your group opens the windows, please make sure they are closed when you leave. This will keep the rain out, and possibly prevent unwanted entry to the church. We are pleased the building is being used but we do want everyone to do their part in taking care of it.

The Property Management Team

Financial Meeting

Following worship this morning there will be an open meeting in the overflow room which will include an overview of the 2020 proposed budget and will provide an opportunity to ask questions about the finances of the church. The 2020 proposed budget is actually \$524 less than the current budget. There are a number of changes when comparing the 2020 budget with the 2019 budget as a result of the leadership teams looking at what they really need to carry out their plans. I urge you to come and learn more about your church. **Marv Loutsenhizer-Treasurer.**
