### Earthquake in Haiti

Congregations and church members can help contribute to the effort in Haiti through a special donations page at [www.brethren.org](http://www.brethren.org). Your support of this response is desperately needed. A special website is also developed titled "Prayers for Haiti" where your prayers will be shared with Brethren in Haiti. Brethren Disaster Ministries will be working with Global Mission Partnerships and the Haitian Brethren congregations on a long-term response to the earthquake.

### Potluck Dinner

### *"Building Vital and Faithful Worship"*

Adult and youth classes continue their study of worship and worship renewal as taught by Pastor David. This is not a "how to worship" study, but rather an exploration of the issues that get in the way of meaningful, transforming worship. Too often worship is evaluated by personal preferences of, "I like it," or "I don't like it," which determine a congregation's worship style. Beginning with the premise that worship is about God and not us, we will identify the positive traits of churches that have been revitalized through worship practices.

### Christmas Videos Available

Did you miss the Christmas Eve service or would you like to experience it again? Larry Egolf, our audio-visual specialist, has captured the magic of Christmas Eve on DVD. Contact Larry if you would like a copy. He is generously supplying these at no cost. Thanks, Larry, not only for making these available but also for all you do and your team does behind the scenes on Sunday mornings. We appreciate you!

We need dried beans, rice, noodles and pasta. Please place donations in the food box by the elevator. Thank you for helping those who are less fortunate.
